## FRONT LINE

If you add just one letter to the start of each group of letters you will make a word that finishes the sentence. Then read DOWN the column to find a saying that means “immediately”.

The opposite of closes is . . . . . \_ PENS  
A doctor’s helper is a . . . . . \_ URSE

Your short thick finger is a . . \_ HUMB  
Bees make . . . . . \_ ONEY  
The number after seven is . . . \_ IGH

Birds that quack are called . . . \_ UCKS  
The opposite of young is . . . . . \_ LD  
The opposite of over is . . . . . \_ NDER  
The star of a wedding is the . . . \_ RIDE  
A sour yellow fruit is a . . . . . \_ EMON  
Our planet is . . . . . \_ ARTH

Give everyone a piece of paper. On the top section, draw a head. It can be an animal head or a person’s head, as weird as you like. Now fold that section back, so that it’s hidden, and slide it across the table to the next person. Without looking at the hidden drawing, the next person draws a chest and arms (of a person, animal, alien), folds it back as well and passes it on to the next person. Without looking at the previous pictures, that person draws a body (stomach and hips) and the final person draws the legs and feet. (You can have more or fewer sections depending on the number of people you have playing.) Finally, unfold your papers and laugh at the weird creatures you have created.

There, wasn’t that FUN?  
Bigfoot and I especially enjoy the Foldover game.  
We play it all the time.  
Try it with your friends,  
it’s loads of chuckles.  
Signing off for now, TTFN
